All,

A copy of my second Plan review letter is attached for your use. Please contact me with any questions or comments. Please keep in mind that this is a preliminary/partial review of the plan submitted on 11/20/15. The Plan as submitted is obsolete since we received and approved the Building 1, Reuse, Repurpose, and Recyclable Materials Waste Determination Summary Report. Please note that I will be out of the office, tomorrow, January 29, 2016.
